

Los Angeles based 3D Artist seeking to work with a team and company that delivers and demands the best.

Experience +

Mezco Toyz [May 2015-Present]

Digital Sculptor

Sculpted various digital rapid prototype action figures and collectibles for the company, including the *Bride of Chucky* figure unveiled at the San Diego Comic Con 2015.

Alelo TLT, LLC [May 2014-Present]

Lead Character and Background Artist

Digitally created characters, backgrounds, and assets for gameplay and animation. Weighted characters and applied motion-captured animation, maps, rigging, and lighting.

Barbed Wire F/X [April-May 2014]

3D Artist

Refined digital assets on Marvel's *Avengers: Agents of S.H.I.E.L.D.* interactive game.

Ars Felix Studios [February-April 2014]

Digital Sculptor

Sculpted a digital rapid prototype portrait of H.P. Lovecraft for a limited edition production of 3D printed busts.

Toyota / AMCI Global [May-July 2013]

Digital Illustrator

Created concepts for a national Toyota summer campaign.

Robo 6K [December 2012-January 2014]

Concept Designer / Sculptor

Designed and constructed robot body armor for the Austin-based tech company, Robo 6K.

The Mill / Los Angeles [August-November 2012]

Digital Matte Painter / Concept Artist Intern

Helped the team create backgrounds and concepts for a Kia 'Space Babies' Superbowl Ad and Call of Duty: Black Ops commercial.

Legacy Effects [June 2011-May 2014]

Artist

Worked on various films including *Iron Man 3*, *Robocop*, and *Pacific Rim*. Concept artist on the *Star Wars 'As You Wish'* charity project.
